## THE MEEVER BEAVER ON TOUR!

This summer, Meever USA is launching a special campaign; the Meever Beaver On Tour! Our mascot has always wanted to travel the world, and August 2025 it will finally happen. But he can't do it alone, we need you to help him explore the most beautiful and extraordinary places across the globe! And the best part? You could win a summer BBQ for your entire team! Simply take a picture of the Meever Beaver and tag us and your workplace on Instagram.

**During the entire month of July, we will give out a Meever Beaver on every order to enter this giveaway!**

### THE STORY OF THE MEEVER BEAVER

The Meever Beaver is always busy creating the strongest sheet pile walls and assisting our customers in the best way possible. But because he's always on the job, he's never had the chance to take a vacation, let alone a world tour! Now he's ready for adventure and can't wait to visit your hometown, experience your workplace, learn about your culture, and maybe even try your regional food.

**Will you help make his dream come true?**

### SUMMER BBQ FOR YOU AND YOUR TEAM

During this summer campaign you can win an entire BBQ together with a Meever USA cooler filled with drinks for you and your team. We would love to bring some extra joy for your entire team during the summer and can't wait to see you have a good time together with the Meever Beaver.

To win this BBQ for you and your team we want you to send in a picture of the Meever Beaver on a unique location. You can send over this picture via Instagram by tagging **@MeeverUSA** and the company on behalf of which you want to enter the giveaway.
